Lo stile classico incontra quello moderno in una linea dal respiro europeo: rosoni, cornici, angoli, lesene, mensole, fregi e nasi che uniscono con maestria le forme tradizionali ai tratti più contemporanei.

Classic blends with modern style, in this line that is destined to the European markets: rosettes, mouldings, corner elements, pilasters, corbels, friezes that combine tradition with modernity with masterly skills.

Der klassische Stil trifft in einer europäischen Version auf die Moderne: Rosetten, Leisten, Eckleisten, Lisenen, Konsolen, Frieze und Ecken vereinen traditionelle Formen auf gewusste Weise mit zeitgenössischen Linien.

Классический и современный стили переплетены, привнося дыхание европейского стиля - виньетки, карнизы, уголки, пилястры, консоли, фризы и выступы с легкостью сочетают в себе традиционные формы с новейшими тенденциями.
