Travi rustiche in poliuretano per donare calore e un tono rurale all'ambiente, capitelli, tasselli e lastre che ricreano tutta l'emozionante atmosfera del legno.

Noce, rovere e mogano: in pochi gesti il soffitto si trasforma in un capolavoro dalle emozionanti tinte legnose.

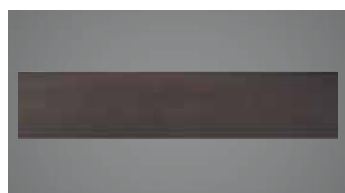

Polyurethane rustic beams to add warmth and a touch of countryside atmosphere to the setting: capitals, listels and slabs that recreate the warmth feelings of natural wood. Walnut, oak and mahogany: the ceiling is transformed in just a few steps, into a true masterpiece that transmits the special feelings of natural wood and its many nuances.

Rustikale Polyurethan Balken verleihen dem Raum Wärme und einen ländlichen Stil. Kapitelle, Einsatzstücke und Platten lassen die schöne Holzatmosphäre entstehen. Nussbaum, Eiche und Mahagoni: In nur wenigen Handgriffen verwandelt sich die Decke in ein Meisterwerk aus Holzönen.

Декоративные балки придадут помещению тепло и уют деревенского дома. Капители, резные украшения и облицовочные панели помогут создать атмосферу, присущую деревянным постройкам. Орех, дуб и красное дерево: несколько штрихов – и потолок, излучающий тона живого дерева, преобразится в произведение искусства.
