A nighttime photograph of a city skyline, likely New York City, viewed from across a body of water. The city lights are reflected on the water's surface. A large, semi-transparent blue circle is centered over the image, containing the word "Skyline" in white. The sky is dark with some clouds, and the city lights are bright and colorful.

Skyline

The image is a composite. On the left, a vertical section shows a rustic wooden wall with a weathered, green-painted sign that reads "Come In WE'RE OPEN" in yellow and white lettering. The sign is hanging from a chain. On the right, a circular white overlay contains text. In the background, a modern interior scene is visible, featuring a light-colored sofa, a white chair with a metal base, and a wooden floor.

Skyline
